

2019 Round Rock Rubber Duck Race Partner Program

Are you looking for an easy way to raise money for your nonprofit association or school booster club?

Round Rock Sertoma hosts an annual duck race through a collaboration of nonprofit partners and school booster clubs in the North Central Texas area of Austin, raising over \$22,000. Last year's partners raised up to 1,600 dollars each for their program. With the new online store partners are expected to raise even more.

Depending on your sales, you will make between 40 to 50 percent for each duck you sell. We have an online store to direct your audience to, will provide onsite marketing materials for your fundraising events and will help you throughout the process.

Please check us and our partners out and Join us in this exciting endeavor. You can reach us and get more information by visiting our website or facebook page or giving us a call.
